

ATELIER

ARTISTRY EXPRESSED THROUGH EXQUISITE CRAFTSMANSHIP

CALDERA 109

Part of the Atelier collection, Caldera is inspired by the primitive origin of weaving. These styles are meant to honor the history and tradition of weaving. With a master weaver on site, and a forward-thinking production team in place, the Merida mill at once acts as a think tank, design lab, creative test kitchen, and manufacturing mecca. Design, craftsmanship and ingenuity live as harmoniously as the rug fibers themselves.
